Infosys Campus Recruitment Program: Apply for Systems Engineer role
1 message

Infosys Freshers Recruitment <Talent.Acquisition@infosys.com>   Mon, Jul 18, 2022 at 10:32 PM
To: Infosys Freshers Recruitment <Talent.Acquisition@infosys.com>

Hello!

We have received your nomination for the **Infosys Campus Recruitment Program 2022-23** from your institute. Engineering students from the 2023 batch will be hired for the role of **Systems Engineer** through this program.

Please fill out the Infosys Campus Recruitment Form – SE before Monday, July 25, 2022 to apply for the program. You will be required to verify your email id with an otp before filling the details. Kindly wait for 10 mins to receive the otp.

We will shortlist the candidates for the Systems Engineer role based on the details received through the application form.

The Systems Engineer role at Infosys requires expertise in core skills for the IT industry to design and develop standalone applications and provide application support. Systems Engineers are deployed across the business units of Infosys to manage legacy applications by focusing on programming languages and building system capabilities, user interfaces, and transactional services. The compensation for this role is INR 3.6 lakhs per annum.

Infosys Campus Recruitment Program will be conducted in a phased manner comprising of **Infosys online test and virtual interview**. Candidates who clear the Infosys online test will proceed to the interview round. Details of the online test are:

Total test duration – 100 minutes

Section	Skill tested	Number of questions	Time allocated
Section I	Reasoning Ability	15	25 minutes
Section II	Mathematical Ability	10	35 minutes
Section III	Verbal Ability	20	20 minutes
Section IV	Pseudocode	5	10 minutes
Section V	Puzzle Solving	4	10 minutes

Candidates who get shortlisted for Infosys online test will hear from us about the next steps of the program.

In case of any queries, please write to talent.acquisition@infosys.com. Infosys Campus Recruitment Program related emails sent to any other email address will not be responded to.

Meanwhile, explore the signature strategy we have to help our employees move forward by inspiring them to build technology solutions for the future, making sure their career never stands still, and navigating further together. You may also follow Infosys on LinkedIn, Facebook, Twitter, and Instagram to explore #LifeAtInfy.

We look forward to interacting with you.

Regards,

Talent Acquisition
